No previous versions available.

## 1. Introduction and Overarching Principles Applicable to this Regulation

East Carolina University (the "University") is committed to making its Property available for use by internal and external groups and individuals. This Regulation provides a framework for use and allocation of University Property in order to assist the University in fulfilling its mission, while at the same time protecting the rights of freedom of expression (Freedom of Expression Regulation REG07.30.06) and association guaranteed by the First Amendment to the United States Constitution ("First Amendment").

1.1 The University's primary mission is to provide an environment that is conducive to education, research, and patient care. Therefore, all Events/Activities on or in University Property are subject to content-neutral time, place, and manner measures, as set forth in this Regulation, the University's [Freedom of Expression Regulation](#), and all other applicable laws and University policies, rules and regulations.

1.2 Physical attributes, locations, approved uses, and availabilities of University Properties vary widely. Therefore, different content-neutral time, place and manner requirements may apply to Events/Activities in or on different University Properties.

## 2. Definitions

2.1 "All Persons and Organizations" means, collectively, all Members of the University Community, their Guests and Non-Members of the University Community.

2.2 "Amplified Sound" is defined as any sound that is broadcast through electronically amplified equipment or sound that is electronically enhanced. This includes the use of any type of electrical sound equipment from large amplifiers to portable stereo systems.

2.3 "Approved Use" means an Event or Expressive Activity on or in University Property that has been scheduled and approved. All such Approved Uses shall be in compliance with this Regulation and any other applicable University Policy, Regulation, Rule or Standard Operating Procedure (SOP). Spontaneous Expressive Activity is not subject to these requirements (see below provisions that apply to Spontaneous Expressive Activity).

2.3.1 The Central Reservations Office (CRO) or a CRO Sub-Scheduler schedules and approves uses of University Property within its/their scheduling jurisdiction. Contact the CRO for a list of University Properties under the scheduling jurisdiction of the CRO or its Sub-schedulers.

2.3.2 Use of University Property that is outside the scheduling jurisdiction of the CRO or Sub-Schedulers is scheduled and approved by the University Unit that has scheduling jurisdiction or control over that Property, and requests for use should be directed to that Unit.

2.4 "Associated Entity" means a private organization, foundation, association, or 501(c)(3) corporation that operates under its own charter or bylaws, but which provides funding or other support to the University.

2.5 "Brickyard" means the approximately 2.3-acre Main Campus space, which consists of a brick plaza and associated green-space. It is bounded on the south by Mendenhall, bounded on the north by the Erwin, Bloxton and Mamie Jenkins Buildings, bordered on the west by the Eakin Student Recreation Center parking lot, and bordered on the east by the Old Cafeteria Building. Contact the CRO with questions.

2.6. "Bulletin Boards"

2.6.1 "General Use Bulletin Board" means, for purposes of this Regulation, bulletin boards that are not Official Bulletin Boards, and that may be used by Members of the University Community and their Guests to post Printed Materials. The CRO may be contacted

regarding the locations of General Use Bulletin Boards.

2.6.2 “Official Bulletin Board” means any bulletin board on or affixed to University Property that is reserved for use by the University or any University Unit for official publications. General Use Bulletin Boards are excluded from this definition.

2.7 “Central Reservation Office” (CRO) means the University Department responsible for coordinating, scheduling, and approving space reservations for Events and Expressive Activities on or in University Property that is under the CRO’s scheduling jurisdiction. In doing so, the CRO coordinates with Sub- Schedulers and other campus officials to support Expressive Activities and Events. The CRO shall comply with this Regulation.

2.8 “Camping” means any of the following:

2.8.1 The establishment of, or attempt to establish, temporary or permanent living quarters at any location on University Property other than residence halls, apartments, or other university managed housing;

2.8.2 Sleeping outdoors on University Property with or without bedding, tent, hammock, tarp, or other similar device, protection or equipment overnight (between sunset and sunrise);

2.8.3 Sleeping in, on top of, or under any parked vehicle on University Property;

2.8.4 Establishing or maintaining outdoors, or in or under any structure not designated for human occupancy, at any time during the day or night, a temporary or permanent place on University Property for cooking, storing of personal belongings, or sleeping by setting up any bedding, sleeping bag, mattress, tent, hammock, or other sleeping equipment, or by setting up any cooking equipment that has not been approved by University Environmental Health and Safety (EH&S).

2.9 “Commercial Solicitation” means the sale or promotion of goods or services, typically in exchange for money or other consideration, on University Property by a person or organization, for- profit. This definition also applies to goods or services offered for free, when the ultimate goal of the person or organization is to turn a profit.

2.9.1 “Commercial Solicitation” is typically conducted by one of the following:

2.9.1.1 “Contracted Vendor” means a Non-Member of the University Community, such as an outside person or business, whether operating for-profit or Non-Profit, that has a current contract with the University to provide products or services.

2.9.1.2 “Non-Contracted Vendor” means a Non-Member of the University Community, such as an outside person or business, whether operating for-profit or Non-Profit, that does not have a current contract with the University to provide products or services.

2.10 “Common Areas of the Student Center(s)” means the lounge spaces located on the first, second and third floors of both Student Centers. These spaces are open for use at all times during hours of operation. This excludes all dining seating locations.

2.11 “Designated Forums”

2.11.1 “Main Campus Designated Forum” means the approximately 5,250 square foot area, within the Mall, that contains the Cupola and is bounded on all four sides by well-traveled pedestrian sidewalks. Contact the CRO for details.

2.11.2 “Health Sciences Campus Designated Forum” means the grassy area adjacent to the bus loop for the Health Sciences Campus Student Center (HSCSC), which is located to the left of the concrete walkway that leads into the east entrance of HSCSC. The space is limited to the grassy area adjacent to the bus loop between trees located to the north and south. Contact the CRO with questions.

2.12 “Event” means a use of University Property which falls outside the definition of “Expressive Activity.” The term “Event” includes, but is not limited to, advertising or Commercial and/or Non-Profit Solicitations that promote the sale or use of a product or service; training seminars; workshops; job fairs; fundraisers; experiential activities; receptions; ceremonies; banquets; recreational events; and dances. Events should be scheduled using content-neutral criteria, including a consistently applied fee structure for use of University Property.

2.13 “Expressive Activity” or “Activity” means all forms of expression that occur on University Property and that fall within the ambit of the First Amendment to the United States Constitution, which may include, but not be limited to, demonstration, speech-making, oral presentation, protest (including silent protest), marching, picketing, signs, leafleting, petition circulation, distribution of written information, counter-protest, symbols, and similar expressive communications and activities that are non-commercial in nature.

2.14 “Expressive Activity Area” (EAA) means, with regard to the Main Campus, the Mall, the Brickyard, the Main Campus Designated Forum, those out-of-doors areas that have been consistently open to the Expressive Activity of Members of the University Community by tradition or by administrative approval, and the Common Areas of the Student Center. With regard to the Health Sciences Campus, EAA includes the Health Sciences Campus Designated Forum, the Common Areas of the Student Center, and those out-of-doors areas that have been consistently open to the Expressive Activity of Members of the University Community by tradition or by administrative approval. All parking lots are excluded during hours when they are in use. All Expressive Activity on or in University Property, whether inside or outside an EAA, remains subject to the provisions of this Regulation.

2.15 “Fronting” means the person or organization making a reservation or using University Property is not the primary beneficiary of the Event, but the Event is in fact for the primary benefit of a different person or organization.

2.16 "Fundraiser" means events and activities designed to increase the visibility of student organizations and encourage individuals to make financial contributions. The policies that govern a student organization's handling of donations are established by the University and are approved and enforced by the Office of Student Activities and Organizations.

2.17 "Guest" means a person, group, club or other organization that is invited to engage in Expressive Activity in or on University Property and is sponsored by a Member of the University Community. Any Member of the University Community may revoke their own Guests' invitations at any time.

2.18 "Instructional Facilities" means University Property that is directly related to the educational mission of the University.

2.19 "Mall" means the approximately 5.5-acre site in the heart of Main Campus that is bounded on the east by Wright Circle, bounded on the north by Faculty Way, bounded on the west by Cupola Court and bounded on the south by Flanagan, Joyner East, and Student Health Buildings. Contact the CRO with questions about space reservations for the Mall.

2.20 "Material and Substantial" or "Materially and Substantially" refers to actions or activities that have an actual impact, as opposed to a predicted one. It includes actions that materially infringe upon the rights of others to engage in, or listen to, Expressive Activity. When determining whether this threshold has been met, officials should apply content-neutral, objective and relevant factors, including, but not limited to, whether an Expressive Activity is closed to the public; whether the Activity is occurring inside or outside; whether someone is interfering with the ability of others to hear, participate in or otherwise benefit from an Expressive Activity; whether someone is impeding ingress or egress to/from an Expressive Activity; and whether University functions are impeded or disrupted, including, but not limited to, University offices, classrooms, walkways, streets, and medical facilities.

2.21 "Member of the University Community" or "Member" means a University Unit (including the Board of Trustees), a Registered Student Organization, a current employee, or a currently enrolled student.

2.21.1 This definition excludes K-12 students and K-12 employees when they are in attendance at, or operating in the course and scope of their work duties, within a secondary school, as applicable, because such students and employees enjoy different First Amendment protections in the secondary school setting.

2.22 "Non-Profit Solicitation" means the sale or promotion of goods or services, including, but not limited to, fundraisers, on University Property by a person or organization for non-profit purposes.

2.23 "Officially Authorized" or "Official Authorization" means Events that have been approved by the persons or organizations managing or having jurisdiction over the University Property for the purpose for which a person or organization wishes to use, or is using the Property. This involves, but is not limited to, the CRO, Sub-Schedulers, Police, Facilities personnel, and Student Affairs personnel.

2.24 "Non-Member of the University Community" means all persons, groups, clubs or other organizations that do not come within the definitions of Member of the University Community or Guest.

2.25 "Political Activities" means actions directed toward the success or failure of a candidate for public office, political party, or partisan political group, including, but not limited to, campaigning, political management, and soliciting financial contributions for political purposes.

2.26 "Printed Materials" means documents or papers of any kind that convey information via the written word. Examples include Commercial Solicitations, Non-Profit Solicitations, announcements, Banners, signs, declarations, Table Tents, handbills, leaflets, flyers, messages, statements, notices, pictures, posters, pronouncements, proclamations, and similar materials.

2.26.1 "Banner" means a flag, strip of cloth, sheet, paper or poster that has a total surface area greater than 625 square inches (e.g., larger than 25 inches by 25 inches).

2.26.2 "Table Tents" are folded miniature Printed Materials that are placed on top of tables (similar to a center piece).

2.26.3 "Yard Sign" (also known as lawn signs, placards, or political candidate signs), means Printed Materials that are displayed on approved University Property locations. Information can be displayed on each side. Yard signs are typically accompanied by yard sign wires/metal rods. The most common form of Yard Sign is called an "H-frame" sign.

2.27 "Registered Student Organization" means an organization (including a club) comprised of University students, that is fully registered, and in good standing with, the Office of Student Activities and Organizations.

2.28 "Responsible Person" is one who serves as a liaison between a person or persons engaging in an Expressive Activity and University Officials in order to promote compliance with this Regulation, and who shall identify themselves upon the request of an Authorized University Official, including in the course of a Spontaneous Expressive Activity. The University recognizes that the nature of the Expressive Activity may make it impractical to have someone serving in this role. An example could be Spontaneous Expressive Activity involving a large number of persons. If there is only one person exercising their free speech rights, then that person would serve as the Responsible Person. The Responsible Person shall be a Member of the University Community, except in cases where the Expressive Activity is carried out by Non-Members of the Community in a Designated Forum.

2.29 "Sponsored Organization" is any organization that is not an Affiliated Organization, but which is sponsored by a University Unit.

2.30 "Spontaneous Expressive Activity" means Expressive Activity by Members of the University Community in an Expressive Activity Area in which the Activity was planned less than twenty-four (24) hours prior to the event.

2.31 "Student Center" means the Main Campus Student Center and the Health Sciences Campus Student Center.

2.32 "Sub-Schedulers" means those University employees and units who have responsibilities for managing space reservations for particular University Property outside of the CRO's scheduling jurisdiction. In doing so, Sub-Schedulers work in concert with the CRO.

2.33 "University," except when otherwise indicated, means East Carolina University.

2.34 "University Officials" means University employees who are authorized to act on behalf of the University with regard to the subject matter of this Regulation. This includes, but is not limited to, Police Officers, Student Affairs Administrators, and Facilities Administrators.

2.35 "University Property" or "Property" means all grounds, outdoor space, buildings, structures, rooms, auditoriums, facilities, stadiums, or other space or improvements, that are owned, leased, used, operated, managed, or otherwise controlled by the University.

2.36 "University Unit" means the Board of Trustees, the Chancellor, and all University Divisions, Departments, Associated Entities, Registered Student Organizations, Centers, Institutes and any other organization that is wholly sanctioned, supervised and governed by the University or a Division or Department of the University.

### 3. Aesthetics, Safety and Efficient Operations

3.1 In order to accomplish its mission, the University must enforce measures to protect the safety of persons and property, promote efficient operations and maintain aesthetically pleasing and orderly University Property. When determining whether an Event/Activity should be moved or limited, officials should apply content-neutral, objective and relevant factors, including, but not limited to, whether an Event/Activity is closed to the public; whether the Event/Activity is occurring inside or outside; whether someone is interfering with the ability of others to hear, participate in or otherwise benefit from an Event/Activity; whether someone is impeding ingress or egress to/from an Event/Activity; and whether University functions are impeded or disrupted, including, but not limited to, University offices, classrooms, walkways, streets, and medical facilities.

#### 3.2 General Requirements for Using University Property for Events/Activities

3.2.1 The CRO's website lists the University Property under CRO's scheduling jurisdiction. Some University Property, however, is scheduled by designated Sub-Schedulers in other University Academic or Administrative Units. Due to its nature and functions, some University Property is not available for Events/Activities. The CRO will direct persons to the appropriate Sub-Schedulers and remain involved as necessary to facilitate an Event/Activity.

3.2.2 The University requires a fee for use of some Property. This fee may differ depending on whether the person or entity seeking to use the Property is a Member of the University Community or Guest vs. a Non-Member of the University Community. The CRO should be contacted for the latest fee information.

3.2.3 Events and Expressive Activities must be conducted in compliance with any applicable laws, regulations, and rules, including those that require accessibility, reasonable accommodations and that facilitate health and safety. The CRO will direct Event/Activity organizers to relevant regulatory departments, which may include, but not be limited to, University Environmental Health and Safety (EH&S), Disability Support Services, Facilities, ADA Coordinator, and/or ECU Police. The CRO may also coordinate directly with relevant regulatory departments, which may include, but not be limited to, University Environmental Health and Safety (EH&S), Disability Support Services, Facilities, ADA Coordinator, and/or ECU Police.

3.2.4 Throughout the planning and implementation stages of an Event/Activity, all organizations and persons who wish to use University Property for Events/Activities shall designate one or more Responsible Persons who shall be readily available and responsive to the CRO, Sub-Schedulers, and University officials and Departments that enforce applicable laws, rules, or regulations.

3.2.5 University Property is not available when the University and/or the facility to be used for an Event/Activity is/are closed without prior the written approval of the University.

3.2.6 During scheduled class times, Instructional Facilities are available only to University Units. Outside of scheduled class times, Instructional Facilities may be made available to Sponsored Organizations or Non-Members of the University Community, provided all applicable University policies, regulations, and rules, including this Regulation, are satisfied.

3.2.7 Event/Activity participants shall not damage, alter, or deface any Facility or other University Property

3.2.7.1 Unless all applicable safety and access laws, rules, and regulations are satisfied, including, but not limited to this Regulation, Event/Activity participants shall not maintain any open flame or erect or place in or on any Facility any permanent or semi-permanent structure or object, including, but not limited to, canopy tents, trailers, Banners, signs, tables, or stakes driven into the ground (See EH&S Event Safety Requirements for Events in Related Policies). Event/Activity participants shall not use paint, chalk, glitter, confetti, silly string, smoke, fog, and/or balloons unless specifically approved in writing by CRO and the appropriate entity or the Chancellor's Office.

3.2.8 As listed by the CRO, certain Events/Activities may include the serving of food or beverages if a University-approved caterer is used and all applicable health and safety rules and regulations are followed.

3.2.9 Camping on University Property is prohibited. Any exceptions must be approved in writing in advance by the Chancellor or designee and the Associate Vice Chancellor – Campus Safety and Auxiliary Services or designee.

3.2.10 Overnight Events/Activities in residence halls, apartments, and other University managed housing must be approved in writing in advance by CRO and Campus Living.

3.2.11 Event/Activity organizers and sponsors, as applicable, shall maintain the cleanliness and orderliness of all University Property in compliance with the CRO and the rules of the particular Property being used. The Properties may charge fees for services provided to support Events/Activities as well as any cost accrued during and after the Event/Activity. The fee may vary depending on the needs of the particular Event/Activity.

3.2.12 As a condition of use and in the sole discretion of the University, Non-Members of the University Community and Guests using University Property for an Event/Activity may be required to provide satisfactory assurance of financial responsibility and/or proof of insurance to the University..

3.2.13 All Events/Activities must be conducted so that pedestrian traffic and vehicular traffic are not impeded and such that those members of the University community who are not participating in the Event/Activity may proceed with their normal educational and operational activities. Free and unobstructed ingress and egress to each building on University Property must be maintained at all times.

### 3.3 Reservation of University Property for Events/Activities

3.3.1 Except for Spontaneous Expressive Activity, persons wishing to reserve all or part of University Property that is under the scheduling jurisdiction of the CRO or Sub-Schedulers for an Event/Activity must submit a completed CRO Request Form through 25Live no fewer than ten (10) business days prior to the planned Event/Activity. If the person making the request is unable to access or use the web portal, the person should call or email the CRO. Although the CRO or a Sub-scheduler will make reasonable efforts, timely submission of the Form does not guarantee permission to hold an event at the requested facility on the requested date(s). All applicable pre-event content-neutral time, place and manner rules, regulations, and policies, including this Regulation, must be satisfied before an Event/Activity may be scheduled, or take place, as applicable. Requests submitted to CRO fewer than ten (10) business days may be accommodated if space and resources are available. Contact the CRO for the latest listing of reservable University Property.

3.3.2 Physical attributes, locations, capacities, suitable uses, and availabilities of University Properties vary widely. Therefore, different content-neutral time, place and manner requirements may apply to different University Properties. The CRO, or a Sub-Scheduler, as applicable, will help to ensure the requestor is timely advised of fees and requirements applicable to the Property requested.

3.3.3 In cases where University Property is requested/reserved by two or more persons or organizations, or where one use would interfere or detract from another use, the CRO and/or Sub-Schedulers shall first attempt to resolve the conflict to the satisfaction of all parties, including moving Event/Activity to other Property and scheduling that avoids conflict. In cases where a conflict cannot be resolved, priority is determined as follows:

3.3.3.1 Chancellor or Board of Trustees;

3.3.3.2 Members of the University Community;

3.3.3.3 Guests; and

3.3.3.4 Non-Members of the University Community.

3.3.4 The University has determined that this hierarchy best serves its mission. The Vice Chancellor for Student Affairs/Designee, in consultation with Central Reservations Office, University Police, Facilities and other key stakeholders, may alter the above hierarchy for single Events/Activities, based solely on content-neutral time, place and manner criteria.

3.3.5 Before approving a request, the CRO or Sub-scheduler will require such content neutral information necessary in order to comply with this Regulation and/or facilitate the Events/Activities, including: (i) the size and nature of the planned Event/Activity; (ii) the intended date and time; (iii) the names and contact information of the organizer(s) and/or sponsor(s); (iv) available resources; and (v) other content-neutral time, place, and manner information necessary to facilitate an Event/Activity in that venue.

3.3.5.1 If over 100 persons are anticipated to attend the Event/Activity, the CRO will notify the Associate Vice Chancellor – Campus Safety and Auxiliary Services or designee of the intent to gather no less than 7 business days prior to the Event/Activity.

3.3.6 The CRO or sub-schedulers will require the following information for all Events/Activities:

3.3.6.1 Identification and contact information for the Event Responsible Person; and

3.3.6.2 Written proof, including an email, that a Guest is invited by a Member of the University Community.

3.3.7 University Property under the jurisdiction of the University Athletics Department is scheduled by Athletics Sub-Schedulers. The CRO will direct persons wishing to hold an Event or Expressive Activity on or in those Properties to the appropriate Sub-Scheduler for Athletics.

3.3.8 The CRO will coordinate with the Office of the Chancellor and Chief of Staff or designee in order to facilitate requests for lawful use of University Property for Political Activities. No University equipment or services (e.g., vehicles and other equipment, campus mail, computers and e-mail, postage, photocopying and fax, etc.) may be used for Political Activities. This applies equally to All Persons and Organizations.

3.3.9 Fronting is prohibited. If it is determined that a person or organization is Fronting for a different person or organization, the CRO will not schedule the Event and/or may rescind approval previously given, unless the person or organization that is the primary beneficiary can satisfy the requirements of this Regulation. If it is discovered after the fact that a Member of the University Community fronted for a Non-Member of the University Community, both will be liable for payment pursuant to the fee structure applicable to Non-Members of the University Community, until the total fee is collected. The University shall not be held liable or responsible for financial or other damages incurred by the person or organization whose permission to use University Property is denied, rescinded, or modified (including a fee change) pursuant to this subsection.

3.3.10 Markings on University Property are prohibited.

3.3.11 When a University Unit co-sponsors an Event/Activity with a Non-Member of the University Community, the University Unit will be charged the standard charge for the use of space, if any, applicable to a Non-Member of the University Community.

3.3.12 An Event/Activity may be cancelled, moved, or limited under certain circumstances, which are spelled out in the Freedom of Expression Regulation and/or this Regulation.

3.3.13 Reserving space in campus parking lots or roadways may be available through ECU Parking and Transportation (see above contact information).

### 3.4. Commercial Solicitation

3.4.1 Non-Contracted Vendors are prohibited from conducting Commercial Solicitation on University Property. This includes Non-Contracted Vendors engaged in Fronting with a Member of the University Community or Guest.

3.4.2 Contracted Vendors may not engage in Commercial Solicitation of University Students or employees in or on University Property unless it is the job of the student or employee to participate in such Commercial Solicitations on behalf of the University.

#### 3.4.3 Non-Profit Solicitation

3.4.3.1 Officially Authorized Members of the University Community and/or their Guests may sell or promote goods and services on University Property for non-profit purposes, including as part of non-profit fund-raisers.

3.4.3.2 Members of the University Community and/or their Guests may conduct Non-Profit Solicitations of their own members on University Property, as deemed necessary and appropriate by their rules and practices.

3.4.3.3 All organizations and persons wishing to engage in Non-Profit Solicitation, including but not limited to fund-raising in the residence halls, shall first receive permission and direction from the Associate Vice Chancellor for Campus Living, pursuant to content-neutral time, place, and manner rules.

3.4.3.4 Non-Profit Solicitations of charitable contributions must comply with North Carolina General Statutes Chapter 131F, entitled "Solicitation of Contributions."

#### 3.4.4 Additional Requirements Applicable to both Commercial and Non-Profit Solicitation

3.4.4.1 Food/beverages must comply with all applicable health code standards, as well as ECU Environmental Health and Safety requirements, regardless if donated or sold at an Event/Activity.

3.4.4.1.1 Requests for off campus food and beverage must be vetted and approved in writing by CRO before any Event/Activity occurs.

3.4.4.2 Goods and services offered for sale or free of charge must comply with applicable State and Federal health and safety laws and regulations.

3.4.4.3 Sale of dangerous or unlawful items, or items that are forbidden on University Property by Policy or law, including but not limited to guns, knives, and lighters is prohibited.

3.4.4.4 Event sponsors must schedule and reserve space for the solicitation event through the Central Reservations Office (CRO) or its authorized Sub-Schedulers.

3.4.4.5 Unless Officially Authorized, sale promotion, or distribution of goods or services that are the same or similar to the goods or services already provided by the University or its Contracted Vendors, including, but not limited to, University dining services, course materials, books (print or electronic versions), electronics, beverages, food, school and office supplies, merchandise, apparel, or printing services, is prohibited.

3.4.4.6 Solicitation or distribution of products or services that violate University copyrights or that infringe upon University trademarks without written approval to do so and payment of all fees and royalties in compliance with the ECU Creative Services Logo Review process, or similar official process as from time to time may be designated by the University for such purposes, is prohibited.

3.4.4.7 Solicitation beyond the reserved area on University Property is prohibited.

3.4.4.8 All Solicitation must be done in compliance with the Freedom of Expression Regulation. The Event/Activity sponsor is responsible for compliance with this Regulation, the Environmental Health and Safety Requirements for Events and all other applicable laws, policies, rules and regulations concerning event safety.

3.4.4.9 A Responsible Person must attend the entire Event/Activity and function as the point of contact for the office of Environmental Health and Safety (EH&S), the ECU Police and other authorized University officials.

### 3.4.5 Exclusions

3.4.5.1 Nothing in this Regulation shall be deemed to affect the Officially Authorized Events/Activities of University Units, departments or their authorized members and agents (which may include students) from conducting the normal operation of the University and/or its educational, patient care or research activities, including, but not limited to, the following: taking surveys, administering the State Employees Combined Campaign, or sponsorship activities taking place in Athletic Facilities under contract/written agreement with ECU Athletics or its Sports Marketing/Licensing contracted partner.

### 3.5 Posting of Printed Materials On or In University Property.

3.5.1 All Persons and Organizations posting or distributing Printed Materials are responsible for compliance with this Regulation and all other applicable laws, policies, regulations and rules. No University Property shall be damaged by posting of Printed Materials.

3.5.2 Printed Materials not in compliance with this Regulation may be removed immediately without notice by Authorized University Officials.

#### 3.5.3 Bulletin Boards.

3.5.3.1 Members of the University Community and Guests may post Printed Materials on General Use Bulletin Boards. All such Materials must be removed by the person or organization that posted them within twenty-four (24) hours after the Event/Activity concludes. Failure to do so constitutes permission for Authorized University Officials to remove or dispose of them.

3.5.3.2 Placement of Printed Material on Official Bulletin Boards is limited to University Units and those Non-Members of the University Community who are operating under the direction of a University Unit. Official Bulletin Boards are managed by building managers or department offices.

3.5.3.3 Printed Material posted on General Use Bulletin Boards must not exceed 187 square inches (e.g., 11 inches x 17 inches), and shall not extend beyond the frame of the bulletin board. No matter the size, no more than one item for the same Event or other purpose may be placed on the same Bulletin Board.
